

Pack

A large, irregular splash of pink and purple watercolor paint serves as a background for the text.

COACHING SERIES
FOOD SAFETY CERTIFICATION
Food Premise Category

Food Safety Coaching Pack is designed for food business operator such as home-based caterer, restaurants and cafes who wish to develop food hygiene and food safety program to meet both legal & system certification compliance.

This pack is written by registered food technologist and consultant under Malaysian Institute of Food Technology. It describes applicable legal requirements under Food Hygiene Regulations 2009. In addition, this pack is also designed to enable food business operator to integrate HALAL (MS 1500) and other food safety management systems such as GMP and HACCP certifications seamlessly.

This Food Safety Coaching Solution is a powerful starter kit in achieving food safety assurance for a sustainable food business.
